## Vision

---

To be the pioneer manufacturer of safety and military shoes in GCC & Arabian countries

## Mission

---

Saudi Leather Industries works hard to satisfy consumers' needs by making high quality products, provide the highest level of customer service and continues improvement in administrative, human and technical resources.  
Organization Chart

## History

---

SLIC was established in 1982 making joint venture with the American Wolverine company under the name Saudi Shoes Company. In 1984, the Saudi owners have bought the market share of the American partner so that the company became totally national company.

Today SLIC products holds major share in Saudi market for both work and military footwear sector. Also holds a good share in GCC market. Recently, begin penetrate to hold share in some African markets.
